

### REMARKS

Claims 1-14 are pending in the present application. Claims 1-7 are allowed. Claims 8-12 are rejected. Claims 13-14 are objected to. The rejections are respectfully traversed in light of the following remarks, and reconsideration is requested.

### Drawings

The drawings are objected to because "lihg" in Fig. 3 should be "light". A corrected drawing sheet is being jointly filed with this Response to Office Action, and thus Applicants request withdrawal of the objection to the drawings.

### Rejections under 35 U.S.C. § 103

Claims 8-12 are rejected under 35 U.S.C. § 103(a) as being obvious over Oh et al. (U.S. Patent No. 7,460,192) (hereinafter "Oh").

### Statement of Common Ownership

The current U.S. Patent Application No. 10/578,028 and U.S. Patent No. 7,460,192 to Oh et al. were, at the time the invention of Application No. 10/578,028 was made, owned by or subject to an obligation of assignment to the same company, Samsung Electronics Co., Ltd.

Thus, Applicants submit that Oh is disqualified as a prior art reference under 35 U.S.C. 103 against the claims of the present application. Accordingly, Applicants request withdrawal of the rejections under 35 U.S.C. 103.

Allowable Subject Matter

Applicants wish to thank the Examiner for the indication that Claims 1-7 are allowed and that Claims 13-14 would be allowable if rewritten in independent form including all of the limitations of the based claim and any intervening claims.

Claims 13-14 are dependent upon Claim 8, and contain additional limitations that further distinguish them from the cited references. Therefore, Claims 13-14 are allowable over the cited references for at least the same reasons provided above for Claim 8.

### CONCLUSION

For the foregoing reasons, Applicants believe pending claims 1-14 are allowable, and a notice of allowance is respectfully requested. The Director is authorized to charge any deficiency in fees, or credit any overpayment, to Deposit Account No. 50-5029.

If the Examiner has any questions regarding the application, the Examiner is invited to call the undersigned Attorney at (408) 331-1672.

#### Certificate of Transmission

Certificate of Transmission: I hereby certify that this correspondence is being transmitted to the United States Patent and Trademark Office (USPTO) via the USPTO's electronic filing system on September 23, 2009.
